CIRCULAR

It is brought to the notice of the University by the Managements of some of the Pharmacy Colleges, who are offering Pharm.D course, that their Pharm.D faculty members are unable to register their daily Aadhaar based Biometric attendance as they are visiting the hospital as a part of the curriculum (with whom the College has MoU). As a result, **“BAS flag”** was marked against such faculty by the University. In this context the concerned Colleges are hereby informed that they can avail the option of submitting a request letter (on College letter head signed by the College Principal) to the University in their respective College Portal **on or before 05-05-2019** mentioning the particulars of only **TWO** faculty members who are earmarked for hospital activity in Pharm.D course with proper proof as a single .pdf document in the format given below. The University will consider for relaxation of BAS flag for those two faculty members after verification.
